

CORPORATE INVENTORY MANAGER

Brandt Tractor Ltd. has an opening for a Corporate Inventory Manager at its Regina Head Office location. Reporting to the Chief Financial Officer, the Corporate Inventory Manager will lead the development and management of inventory forecasting, deployment, ordering and recording functions.

Candidates will have extensive experience with Inventory Management in a rapidly growing organization including replenishment, pricing and analysis coupled with a Business Degree. Formal training in Supply Chain Management would be considered an asset. The individual will have excellent leadership, communication, and presentation skills, strong analytical and problem solving skills and the ability to manage and develop employees that report directly to the position. Computer literacy (Microsoft Office) is required.

Brandt Tractor is the world's largest John Deere Construction & Forestry Equipment Dealer. The Company operates 21 dealerships in Western Canada. Brandt was named one of the 50 Best Managed Companies in Canada.

Only those applicants selected for interviews will be contacted. No phone calls please. Forward resumes preferably by e-mail to hr@brandttractor.com by July 31, 2007.
