Brandt is currently recruiting for the position of Expediter for its Regina facility. Reporting to the Corporate Purchasing Manager, the successful candidate will be responsible for proactively expediting purchase orders, ensuring on-time deliveries, and developing successful business relationships with transport providers. They will coordinate and communicate delivery schedules with both production personnel and project managers. Excellent communication, organizational, interpersonal, and problem solving skills are a must.

Qualifications include two years expediting or purchasing experience. Past experience with customs and international shipments would be a definite asset. Preference will be given to those individuals working towards their PMAC Certificate in Purchasing or their C.P.P designation.

This is an excellent opportunity for the right person looking to build a successful career within a growing and dynamic company. This position offers a competitive salary and comprehensive benefit package.
